**Personal Statement:** please submit a 750-1000 word statement responding to the following prompts:

- a. Why are you interested in the MHPE program? Reflecting on your background, describe how the MHPE will help you advance your professional and personal goals.
- b. Describe an educational problem or question in the health professions that you would like to address and/or solve.
- c. If you have had opportunities to be involved in an educational project or study, please describe it and your role. If not, describe a project or study you observed and what about it was interesting to you.
- d. Given the demands of the MHPE program, we are interested in knowing about how you anticipate navigating the program. Tell us about, for example, any resources or other factors that might support your success in the program, including, but not limited to, your institutional environment (if any), protected time (or plans for protecting time), mentorship, or other relevant resources.
