

DFM Research and Professional Development Seminar Series

Presents:

Research in Progress

**“A global health partnership model for cervical
cancer prevention in Senegal”**

Andrew Dykens, MD, MPH

Date: Wednesday, December 11, 2013
Time: 8:00 AM – 9:00 AM
Location: Department of Family Medicine
Rm 196, Main Conference Room
1919 W. Taylor Street

The Research in Progress seminar series aims to foster interdisciplinary communication and collaboration, increasing awareness of currently in progress research by DFM faculty and facilitating feedback and suggestions for refining research studies. These seminars are open to all interested faculty, residents, students and staff.
