

DFM Research and Professional Development Seminar Series

Presents:

Research in Progress

**“Stroke and Heart Attack Risk Predictor
(SHARP) Project”**

**Thomas Kannampallil
Senior Research Specialist
Department of Family Medicine**

Date: Wednesday, October 22, 2014
Time: 10:00 AM – 11:00 AM
Location: Department of Family Medicine
Rm 196, Main Conference Room
1919 W. Taylor Street

The Research in Progress seminar series aims to foster interdisciplinary communication and collaboration, increasing awareness of currently in progress research by DFM faculty and facilitating feedback and suggestions for refining research studies. These seminars are open to all interested faculty, residents, students and staff.
