

Inaugural Winter Neurosurgical Forum

Monday, January 30- Friday, February 3, 2017
Steamboat Springs, Colorado

Presented by:

University of Illinois at Chicago
**DEPARTMENT OF
NEUROSURGERY**

Objective

The Winter Neurosurgical Forum is intended to provide a semi-formal setting for a small group of opinion leaders to participate in open and frank discussions related to the neurosciences. Of special interest are blue-sky ideas, controversies, new and evolving technologies, complications/lessons learned, and strategic initiatives. The backdrop is the idyllic ski-town of Steamboat Springs, Colorado.
