Vascular Neurology Faculty Positions

Department of Neurology and Rehabilitation

College of Medicine

The University of Illinois at Chicago (Department of Neurology) and the UI Hospital and Health Sciences System are undergoing a major Neurology expansion. Positions are currently available for Vascular Neurologists. Successful candidates will join a multidisciplinary team that treats a high volume of complex stroke patients as part of UI Health's Comprehensive Stroke Certified programs. The ideal candidate should have completed an ACGME-approved fellowship and be board certified (or board eligible) in vascular neurology. In addition, the candidate should have a strong academic interest and have a track record of leadership, research, teaching, and clinical service. The new faculty will have access to cutting edge treatment modalities and will have a significant impact on building the program further. Salary/rank/tenure is commensurate with experience. A competitive start-up package including protected time for academic development is available to qualified applicants.

Interested parties should send curriculum vitae and statement of interest to FD Testai, MD, PhD c/o David Katz at davkatz@uic.edu. Please call 312-355-1748 for additional information.

The University of Illinois at Chicago is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans and individuals with disabilities are encouraged to apply.
