Department of Orthopaedics  
835 So. Wolcott Avenue, Room E290  
Medical Sciences Building South

---

8:00 a.m. - 10:00 a.m. Review of Application Process with Q&A  
10:00 a.m. - 11:30 a.m. – Opportunity to meet with Dr. Gonzalez and Dr. Mejia

---

Mark H. Gonzalez, MD, PhD  
The Riad Barmada Professor of Orthopaedic Surgery  
Professor and Head Department of Orthopaedic Surgery  
Adjunct Professor of Mechanical Engineering

Alfonso Mejia, MD, MPH  
Director of Orthopaedic Residency Program  
Vice Chair Department of Orthopaedics

We would like to invite all medical students interested in a career in orthopaedic surgery to attend this meeting. We will review the application and interview process including which attributes are necessary. Discussion will also include the degree of competitiveness and the importance of a back-up plan as well as options for students who go unmatched.

Please RSVP with [Open House](#) in the subject line to [Orthomed@uic.edu](mailto:Orthomed@uic.edu)
