

2013 UIC Glaucoma Symposium

CONTINUING MEDICAL EDUCATION INFORMATION

CME CREDIT

The University of Illinois at Chicago College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois at Chicago (UIC) College of Medicine designates this educational activity for a maximum of 7 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

PURPOSE

The purpose of this activity is to present the ophthalmologist with the latest research developments and clinical advancements for emerging and established treatment therapies for glaucoma diseases.

INTENDED AUDIENCE

This course has been organized for:

- Glaucoma specialists,
 - General ophthalmologists,
 - Glaucoma fellows, and
 - Ophthalmology residents encompassing all levels of experience and knowledge.
-

LEARNING OBJECTIVES

By the end of this continuing medical education activity, participations should be able to:

1. Identify factors associated with glaucoma including smoking and dietary factors
2. Describe glaucoma risks in patients with connective tissue diseases
3. Develop a protocol for their practices about how to initiate and modify medical therapy of glaucoma
4. Articulate how to examine myopic optic nerve head
5. Identify factors associated with glaucoma including smoking and dietary factors

EDUCATIONAL GRANTS

We gratefully acknowledge medical education funding from Alcon, Allergan, Heidelberg Engineering, Merck and Valeant in support of this program.
