College of Medicine Administrative Document Compliance Checklist

1. Copy of current Insurance Card

2. Copy of CPR Card (completed during TTC)

- 3. SSN & DOB Release form
- 4. UIMC Confidentiality Agreement form
- 5. OSHA/Universal PrecautionsTraining
- 6. Professional Liability (Medical Malpractice), coverage amount provided upon verification of University registration.
- 7. HIPPA Training (Hospital Manual: M1 year)
- 8. Mandatory Hospital Administrative forms upon request.

Please note, no immunization can expire while on a rotation. All immunizations must be updated at least four weeks prior to the start date of the rotation. Health requirements are not considered met for clinical activity if any immunization expires during the rotation. Hospital sites will not clear a student if they cannot guarantee current immunizations. Sites may cancel students or remove them from clinical activity if these requirements are not met by the four week mark.
