Maternal Health
EMERGENCY DEPARTMENT TOOLKIT

Maternal Health Emergency Department Toolkit Public Health Learning LMS Guide

Create an Account

Option 1: An account may already have been created for you to pre-enroll in the course. Check your inbox and SPAM folders for the following email:

From: Kate Craemer (kcraem2@uic.edu)
Subject: Public Health Learning: New user account

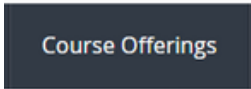

Option 2: If you were not pre-enrolled, visit the following website to set up an account.

PUBLIC HEALTH LEARNING <https://www.publichealthlearning.com/login/index.php>

You will receive a confirmation email from PublicHealthLearning.com. If you are not receiving emails from the site, they may be going to your SPAM or Junk email folder.

Access the Training

Option 1: If you were pre-enrolled, visit the “My Learning” tab.  Click “Launch Course”.

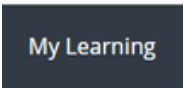

Option 2: If you created an account, visit the “Course Offerings” tab. 

Select “Maternal Health Emergency Department Toolkit” to access the training.

Already Have an Account?

Already have an account? Started the training but didn’t finish? Follow these instructions.

Access your account: Visit <https://www.publichealthlearning.com/login/index.php>

Visit the “My Learning” tab.  Click “Launch Course”.

You can pick up where you left off - either in the middle of a module or the next module.

Training Content

After you enter the course, you will be prompted to complete the training in the following order.

- | | | |
|------------------------------|--------------|--------------------------|
| 1. Introduction Module | 5. Module B2 | 9. Module B6 |
| 2. Demographic Questionnaire | 6. Module B3 | 10. Module C |
| 3. Module A | 7. Module B4 | 11. Module D |
| 4. Module B1 | 8. Module B5 | 12. Module E |
| | | Optional: CME Evaluation |

The entire training takes 4 hours to complete, but it does not need to be complete in one sitting. Each module can be paused and will pick up where you left off.

Navigating the Training

Training Modules

Click the folder icon  to access each component of the training. Click "Enter".

Enter

In many cases, course contents and material will open in a pop-up window. Make sure that any pop-up blockers are configured to allow pop-ups from PublicHealthLearning.com.

Demographic Questionnaire and CME Evaluation

Click on the file icon  to access the survey. Click "Answer the question..." to fill out the survey.

Non-CME Certificate of Completion

Once all modules have been completed, you will be able to access this certificate of completion. Upon clicking on the certificate, it will download to your computer.

CME Evaluation and Certificate of Completion

Once all modules and the CME evaluation have been completed, you will be able to access this certificate of completion. Upon clicking on the certificate, it will download to your computer.

Additional Resources

Module Summary

After you complete each module, a summary of the content will be available to download. You can access this summary on the final slide of the module or by clicking on the PDF icon.

Resource Library

The algorithms and resources included in the modules are available for download. These materials are also available on the Maternal Health Emergency Department Toolkit Resource Library website:

<https://chicago.medicine.uic.edu/chicago-research/centers/crwg/ed-health-toolkit/resource-library/>
