

DFM Research and Professional Development Seminar Series

Presents:

Research in Progress

**“Integrating occupational therapy services in
primary care settings: Building the research
evidence”**

Mansha Mirza, PhD, OTR/L

Date: Wednesday, June 18, 2014
Time: 10:00 AM – 11:00 AM
Location: Department of Family Medicine
Rm 196, Main Conference Room
1919 W. Taylor Street

The Research in Progress seminar series aims to foster interdisciplinary communication and collaboration, increasing awareness of currently in progress research by DFM faculty and facilitating feedback and suggestions for refining research studies. These seminars are open to all interested faculty, residents, students and staff.
