Welcome to our conference Challenges in OB/GYN: Pearls for Practice.

The University of Illinois at Chicago, College of Medicine has applied for a maximum of 5.75 AMA PRA Category 1 Credits™. Use of MRI in evaluation of uterine fibroids and use of uterine artery embolization are covered.

1. Describe the benefits and risks of medical management of uterine fibroids.
2. Describe how best to diagnose adenomyosis.
3. Describe the impact of uterine fibroids on fertility treatment outcomes.
4. Describe techniques for minimally invasive tissue extraction.

Challenges in OB/GYN: Pearls for Practice will be held on Friday, October 1, 2016.

Presenters include:
- Dr. Antonio Scoccia, MD, Professor of Obstetrics and Gynecology, University of Michigan, and Gynecology and Chief of the Division of Reproductive Endocrinology and Infertility, University of Illinois at Chicago. Dr. Scoccia, one of the top authorities in reproductive medicine, will discuss the treatment of uterine fibroids.
- Dr. Kimberly Kho, Associate Chief of Gynecology at University of Michigan, who will discuss modern techniques for minimally invasive myomectomy vs. hysterectomy.
- Several of our own distinguished faculty are offering state-of-the-art lectures, including:
  - Dr. Jamie N. Bakkum-Gamez, Associate Professor of Obstetrics and Gynecology at Mayo Clinic, who will discuss how to achieve "enhanced recovery" after surgery by implementing a multimodal approach.
  - Dr. James M. Shwayder, Professor and Chair of Obstetrics and Gynecology at University of Mississippi, who will discuss surgical management of uterine fibroids.
  - Dr. A. Musa Zamah, Associate Professor of Obstetrics and Gynecology at University of Illinois at Chicago, Department of Obstetrics and Gynecology, who will discuss modern techniques for minimally invasive myomectomy vs. hysterectomy.

There will be ample opportunity to meet with all of the distinguished faculty, including Dr. Kimberly Kho, Dr. Antonio Scoccia, Dr. A. Musa Zamah, and others.

The conference will be held at the University of Illinois at Chicago, Student Center West on Polk Street. Parking is available at the Wood Street Visitor Parking or at the South Wood Street or at the Stroger/Cook County Public Parking across from the Student Center West on the second floor (Michele Thompson Conference Rooms).
