

AUA 2019—CHICAGO

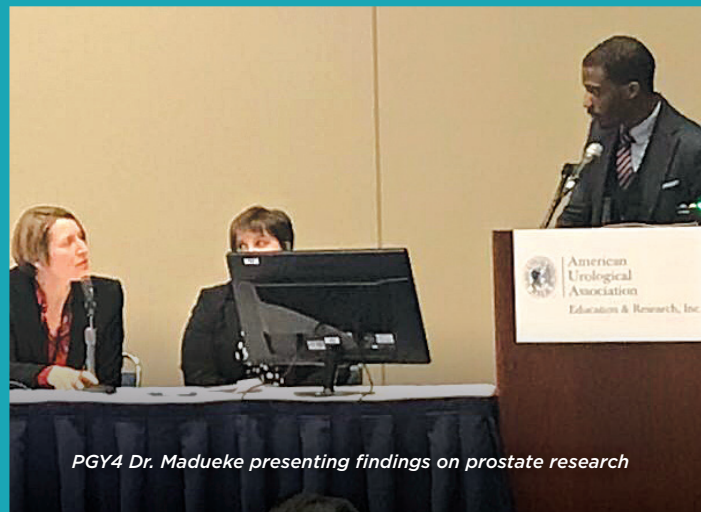

PGY5 Dr. Sofer, PGY5 Dr. Greenwald, PGY3 Dr. Vigneswaran, PGY6 Dr. Dobbs and Dr. Crivellaro at the Alumni Reception.

Gen. Recon Fellow Dr. Acar and 2020 fellow Dr. Millman

Dr. Crivellaro's surgery being streamed at McCormick Place

PGY4 Dr. Madueke presenting findings on prostate research

AUA is the preeminent Urology conference each year, and it is always a treat when it is in Chicago. The department welcomed friends and colleagues from around the world and we loved seeing so many alumni at the reception.

The department was well represented with 12 presentations, and Dr. Crivellaro's surgery was live-streamed at McCormick Place!
