

POSTPONED UNTIL 2021

Current and Future Treatment Strategies & Clinical Trials *for Inherited Retinal Disease*

Due to the ongoing COVID19 pandemic, we must postpone the UIC Inherited Retinal Disease Symposium, honoring Dr. Gerald Fishman's 50 years of contributions to the Department of Ophthalmology, that was scheduled for August 15, 2020. We hope to reschedule the symposium for summer 2021. For more information, contact:
