Cultural Relevance in Health Care Professions: Addressing the Health Care Needs of Diverse Populations

March 3, 2020

9:00 am-11:00 am

**College of Medicine
Research Building (COMRB)
909 S. Wolcott Ave, Chicago
Room 5175**

Purpose:

This interactive seminar will promote strategy and skill building in the area of cultural competence and cultural humility. The seminar will be facilitated by Dr. Paula Allen-Meares and taught by Dr. Yolanda Suarez-Balcazar and Dr. Olga Garcia-Bedoya. Light refreshments will be provided.

Target Audience:

This interdisciplinary seminar is **free** of cost and is open to all graduate and professional students, clinicians, faculty, and professions at UIC as well as external institutions.
