<b>How did your mother die?</b>	Leukemia (when you were three)		
<b>How's your father's health?</b>	He has high blood pressure and cholesterol		
<b>Brothers or Sisters?</b>	Sisters: No		
	Brothers: No		
<b>How are your Grandparents?</b>	Grandparents: All deceased		
<b>You mentioned your father has high Cholesterol...do you?</b>	Cholesterol checked:	Yes	6 months ago 180
<b>Do you know what your last Cholesterol number was?</b>			

**Summarize/Recap:** Use what SP said, hitting any wrong info given.

**Conclusion:** *"I believe you may have allergies due to your cat. If this is true, then probably the best solution might be to get rid of the cat. Of course we will have to wait to see what my attending says."*

<b>SP must say:</b>	I'd like to get a second opinion.
